DETAILED ACTION

Allowable Subject Matter

1. Claims 1-22 are allowed.

Reasons for Allowance

2. The following is a statement of reasons allowance:

The prior art does not teach or render obvious of a semiconductor device as defined in the above claims, comprising particularly:
a first main electrode formed over an interlayer insulating film on a first gate electrode, the first main electrode covering and electrically connected to a surface of a second semiconductor region and having an end extending to a boundary between the peripheral portion of a first major surface of the substrate and the central portion of the first major surface; and, an integral semi-insulating plasma CVD nitride film covering at least the peripheral portion but not the central portion and not extending above any gate electrode, wherein the integral semi-insulating plasma CVD nitride film has a conductivity which does not lose function as an insulating film and stabilizes breakdown voltage characteristics of the semiconductor device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
